

Dear Sir or Madam:

Black and Gold Youth Football is a youth organization dedicated to providing a safe and fun sporting experience for boys and girls. We provide youth the opportunity to play in an organized and supervised environment, teaching them the fundamentals of football and cheerleading while inspiring them to practice the ideals of sportsmanship, scholarship, and physical fitness. We strongly believe that youth sports can enhance self-esteem and deter children from school violence, drugs, alcohol and gang activity.

Each year, we spend thousands of dollars to insure that our children receive the best and safest experience possible. Hundreds of dollars in insurance coverage for every team are paid out annually. In addition, we provide (and pay for) safety inspected equipment, uniforms, and knowledgeable referees. Our registration covers only a small portion of the money necessary to operate our program.

In order for us to continue providing children with a quality football program such as ours, we are asking for your financial assistance. We are in need of corporate sponsors and personal donations that are willing to contribute any dollar amount to help with the program expenses.

Names of contributors will be displayed on an advertising banner which will be presented at each home game. Sponsor monies accepted after the August 13th 2010 may not be posted on banners. All sponsors who donate \$100 or more will receive a commemorative team plaque.

Thank you in advance for your consideration and cooperation in helping to make this a successful season for all the participants in our program. Any donations can be given to the Team Mom, Board Member or mailed to:

**Black and Gold Youth Football League
P.O. Box 948
Apache Junction, Arizona 85117
480-299-1510**

Sincerely,

Cami Garcia
BGYFL President

Please complete the following form for your donation. BGYFL will e-mail you a letter to be used for your tax-deductible donation.
